

BOOKING A BOARDING STAY

A stay with Forest Rangers, in Kopstal — cage-free, two walks a day

Boarding looks after your dog in Kopstal while you are away: **cage-free stay, two walks a day**, five dogs at most at the same time. It is booked stay by stay, and every request is **approved by Gabriel** within 24 hours.

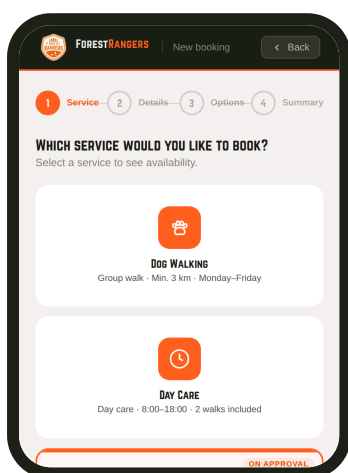

Example used in this guide: arrival Friday 20 November, departure Monday 23 November.

1 BEFORE YOU BOOK

Point	What you need to know
Who can book?	Boarding is reserved for clients already registered for walks or Day Care .
Trial night	For a first stay , a trial night is required to make sure your dog is comfortable. It is charged. Gabriel may ask for a second one if needed.
Length	2 nights minimum . Nights are counted from the arrival date to the departure date: 20 to 23 November = 3 nights .
Health	Health record and vaccinations up to date .
Food	Not included : bring your dog's usual food for the whole stay.
Drop-off and return	By default, in Kopstal . A pick-up or drop-off at home can be requested: Gabriel confirms depending on his rounds (fees may apply).

2 THE REQUEST, STEP BY STEP

3 MINUTES

Screen 1 — **Boarding** is marked
« On approval »

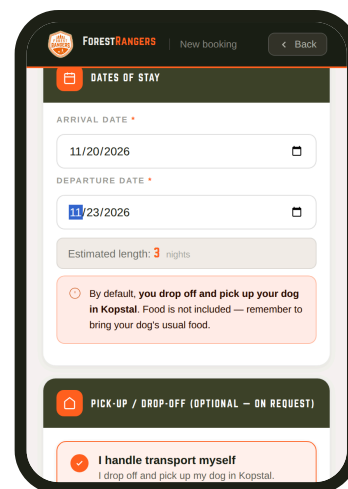

Screen 1 — Service

- 1 **Bookings** → orange button **+ New booking**.
- 2 Tap **Boarding** (marked *On approval*), then **Continue**.

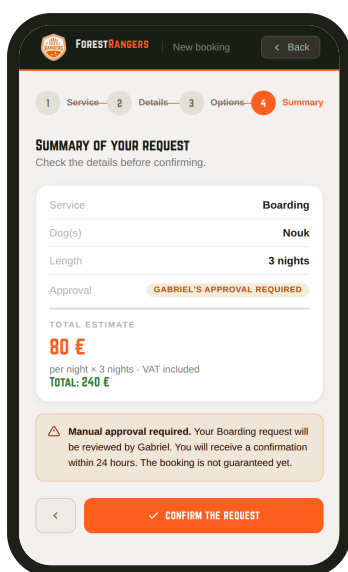

Screen 2 — Details

- 1 **The dog or dogs**: tap the card, it switches to *Selected*.
- 2 **Arrival date** and **departure date**. The **estimated length** in nights appears straight away underneath: check it.

- 3 **Pick-up / drop-off:** leave *I handle transport myself* if you come to Kopstal. Otherwise, choose a home option: it still has to be confirmed by Gabriel.
- 4 Further down, the table **Cancellation — applicable rules** reminds you of the deadlines (see point 4).
- 5 Add a **note** if needed: habits, meals, medication, special instruction.
- 6 Tap **Continue**.

Screen 2 — the dates and the **estimated length**

Screen 4 — the summary:
Gabriel's approval required

Screen 3 — Options

Reread the confirmations (weather, access, health and behaviour), then **See the summary**.

Screen 4 — Summary

- 1 Check the dog, the **length in nights** and the **total estimate**.
- 2 The **Approval** line says **GABRIEL'S APPROVAL REQUIRED**: that is normal for boarding.
- 3 Tap **Confirm the request**.

The request is not yet a guaranteed booking. Until Gabriel has approved it, the places are not held.

3 AFTER THE REQUEST

Step	What you see
Straight away	The stay appears under Bookings , in blue, with the status PENDING .
Within 24 hours	Gabriel approves: the status changes to CONFIRMED . If there is no space on those dates, he writes to you to find a solution.
Home option	If you asked for a pick-up or drop-off, Gabriel confirms the time by message.
Invoicing	The stay appears on the monthly invoice, by number of nights.

4 IF YOU NEED TO CANCEL

Under **Bookings**, tap the stay, then **Cancel the booking** (details in guide 3). The amount charged depends on the number of days before arrival:

Notice before arrival	Charge
More than 30 days (14 days for a regular client)	FREE
Between 30 and 14 days	50% of the stay
Less than 14 days	100% of the stay
Stay between 1 June and 31 August	100% , whatever the notice

THE ESSENTIALS IN FIVE LINES

- **Book:** Bookings → New booking → Boarding → dog → arrival and departure → Confirm the request.
- **Approval:** by Gabriel, within 24 h. Status « Pending », then « Confirmed ».
- **Conditions:** 2 nights minimum · trial night on the first stay · health record up to date · bring the food.
- **Drop-off and return:** in Kopstal, or at home on request depending on the rounds.
- **Free cancellation** more than 30 days before arrival (14 for a regular client) — except in summer.
